STUDENT CHAPTER MEMBERSHIP APPLICATION

MISSION STATEMENT

The mission of the NAMC Student Chapter is to assist women and minority students studying in the fields of construction management, engineering, or design and management with professional and academic growth. The chapter strives to provide support, encouragement, and opportunity to its student members. Student chapter members will assist and support the development of K-12 STEM Program students by serving as a bridge to the next generation of minority construction leaders.

BENEFITS

- Engagement with other students, business owners, and industry professionals at events held throughout the year.
 - Internship and employment opportunities.
 - Positive impact on the student's chosen industry by increasing awareness of the need for a level playing field in workforce diversity, hiring practices, and salaries.
 - Opportunities to give back to the community through the Science, Technology, Engineering, and Math Program initiative (STEM) for K-12 schools; increasing the participation of minorities in STEM careers and business endeavors.
-

ELIGIBILITY

Undergraduate or graduate students enrolled in a construction management, engineering, design and management, or other construction-related program at an accredited college or university are eligible to apply for membership.
